

**DEVELOPMENT AND
OPEN CIRCLE or MEDITATION
TUESDAY NIGHTS in the Rennie Street Hall.**

From February – mid December

Prior to the commencement of either the **Open Circle** or **Meditation**, there is a series of exercises and mini workshops where all in attendance participate in working with their intuition and subtle energies. The object of these exercises is aimed at the **Development** of our intuitive abilities, opening up lines of communication with Spirit Guides and establishing a faith and trust in our own perceptions of our own Spirituality.

As we come to understand this aspect of our self and continue to work and develop these abilities, it will in turn enhance our lives and instil a greater confidence in ourselves and in who we are as Spiritual Beings.

Development Circles are inclusive of discussion to share experiences and invite any questions on topics of interests.

Sessions Taken by Rev. David Finlay.
