

Sunday Service

The Divine Light Service commences at 3.00pm each Sunday afternoon with an open ending-time no later than 5.00pm.

A Spiritual talk highlighting the diversity of the COSE fellowship is presented by a different member of the congregation each Sunday.

Individual Spiritual Healing is facilitated during the Service in addition to the clairvoyant readings both of which form part of the Service.

An afternoon tea afterwards is free and all are welcome to attend. As always, visitors are always welcome at any COSE event.

Seven Principles

Spiritualism has a philosophy which is based upon seven fundamental principles

1. The Fatherhood of God
2. The Brotherhood of Man
3. The Communion of Spirit and The Ministry of Angels
4. The Continuous Existence of The Spirit
5. Personal Responsibility Here and Hereafter
6. Compensation and Retribution Here and Hereafter for all Good or Evil Deeds done on Earth
7. Eternal Progress is open to every Individual Spirit
